

**THE EVANSVILLE COURIER & PRESS
REPRINT ORDER FORM**

Thank you for expressing an interest in a photograph published in The Evansville Courier & Press. As a service to our readers, reprints of photos taken by staff photographers and published in the newspaper within the last year are available through our Reprint Service. We cannot reproduce Associated Press or freelance photographer photographs. All prints are custom made and cropped as they appeared in the newspaper. The photos are printed on 8 x 10 inch glossy paper, although the image will be somewhat smaller due to the original crop of the photo. All reprints will be color even if the photo was published in black & white in the paper.

The price of the reprint is \$20.00 (tax included) for the first print, and \$15.00 (tax included) for each additional print from the same photo ordered at the same time. There is a \$2.00 shipping and handling charge added to the order (the charge is \$2.00 regardless of the number of prints ordered). Allow 4 weeks for delivery. To order a reprint, please provide the information requested below and enclose a check made payable to "The Evansville Courier & Press," or fill out the requested information to charge the order. Incomplete information may result in a delay of the order being filled.

For an audio slide show or a video, the cost is \$40.00. The DVD you purchase will be playable in a DVD player.
